Health Saver  
Hospital Indemnity Insurance

## Your *optimal* approach to healthcare starts here!

If you desire an affordable plan that provides freedom of choice and helps you pay for quality care at a fair price, then look no further than PAL's Optimum Health Saver. This plan helps individuals, families and small businesses achieve optimal results throughout their healthcare journey by providing set benefits, freedom of choice and a supportive care team.

*This form series (H-0434) is considered an excepted benefit plan under the Affordable Care Act and is approved by the Department of Insurance in your state. This plan does not meet the requirements of the Affordable Care Act.*

# Tired of traditional health plans? Take a look at our Optimum approach.

Here at PAL, we aim to provide an alternative approach to healthcare outside of major medical's world of copays, coinsurance, high deductibles and restrictive networks. We help consumers save on quality care and help them pay for it too.

## Optimum Plan Features

### Set, first-dollar outpatient benefits.

This plan provides set, first-dollar benefits for outpatient care. Meaning, we pay for care the very moment an insurable event occurs - eliminating the financial pressure of having to hassle with copays, coinsurance and deductibles.

### Set inpatient benefits.

This plan helps pay for more than just the everyday care we all need. It provides benefits for hospital stays and other inpatient services too.

### Virtual care from the comfort of your home or while on the go.

To us, virtual care is a must! That's why we include it with this plan at no extra cost to you. Going virtual allows you to skip the line, the waiting room, and a large surprise medical bill, improving your health outcomes and helping your pocketbook.

### Healthcare saving tools at no extra cost.

This plan provides access to the top - and some of the most exclusive - healthcare saving tools in the industry! Our saving tools are the cornerstone to finding quality care at a fair price.

### Freedom of choice.

We believe it's your right to see any doctor you wish. So, whether you choose to see a provider in-network or out-of-network, it doesn't matter to us. This plan pays the same set benefits for eligible care received regardless - giving you the freedom to find care that's right for your needs and your budget.

# An Optimum Plan Designed Just for You.

All plans pay set benefits for covered healthcare services. To get started, design a plan that fits your healthcare and budget needs.

# Frequently Asked Questions

## What is a hospital indemnity plan?

Hospital indemnity plans pay set-dollar amounts for care no matter what the provider charges. If the cost for care is less than the indemnity benefit, insureds keep any difference. Subsequently, if the cost for care is more than the indemnity benefit, insureds are responsible for any remaining costs.

## Is this an Affordable Care Act (ACA) plan?

No, this plan is an alternative to ACA and is not ACA compliant.

## Are there any copays?

This plan does not have any copays. Any costs exceeding the benefit amount are the insured's responsibility.

## Is there a deductible?

For outpatient services, this plan does not have a deductible; set benefits are paid right away for covered services. The deductible only applies to Hospital Confinement benefits.

## Is there a waiting period?

Benefits are covered from day one except for preventive care (60 day waiting period) and pre-existing conditions (12 month waiting period) as outlined in the Policy.

## Does this plan cover pre-existing conditions?

Pre-existing conditions are not covered for the first 12 months of the Policy. Please see the Limitations and Exclusions page, or review the Policy, for more information about pre-existing conditions.

## Is there a network and do I have to use it?

This plan provides you the freedom to choose any doctor or facility you wish. However, using the provided network can result in significant savings. The plan benefits will pay the same benefits whether you choose to go in or out of network.

## How can I find providers in the network?

Visit [www.neweralife.com](http://www.neweralife.com). Select the Provider Search tool within the menu to view providers. Always, check with the provider before making an appointment as the network can change at anytime.

## What if I want more coverage?

PAL provides many options that can help fill in the gaps. From basic accident coverage to comprehensive cancer coverage, we can help you get the affordable coverage you need. Ask your agent for more information.

## How can I reduce my out-of-pocket healthcare expenses?

Calling PAL before seeking care, using telemedicine, shopping for services and using the network are all some of the many ways to reduce your out-of-pocket costs.

## When can I enroll?

You can apply anytime of the year.

## Is This Plan Right for Me?

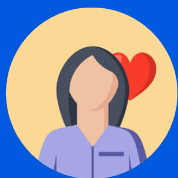

### Our Optimum Health Saver Plan may be right for you if:

- ✓ You want to become an engaged healthcare consumer and don't mind paying attention to how your choices affect your costs
- ✓ You're looking for a way to save valuable premium dollars without compromising the quality of care you receive
- ✓ You're okay with answering health questions and going through underwriting
- ✓ You're okay with any pre-existing conditions not being covered for the first 12 months

# How Does This Plan Work?

You're paid the same for eligible care, no matter which provider or facility you choose or what the care costs. If the cost for care is less than the total indemnity benefits payable, insureds keep any difference. Subsequently, if the cost for care is more than the total indemnity benefits payable, insureds are responsible for any remaining costs.

# Limitations & Exclusions

**This policy provides benefits only for covered benefits identified in the policy. We will not pay benefits for claims resulting, whether directly or indirectly, from events or loss related to or resulting from any of the following:**

1. A sickness or injury that is the result of a work-related condition that is eligible for benefits under Worker's Compensation, Employers' Liability or similar laws even when a covered person does not file a claim for benefits. This exclusion will not apply to a covered person who is not required to have coverage under any Worker's Compensation, Employers' Liability, or similar law and does not have such coverage. However, a covered person must receive services in accordance with the benefits section of the policy.
2. War or any act of war, whether declared or undeclared.
3. Participation in the military service of any country or international organization.
4. Treatment, services, or supplies that: (a) are not part of a specifically listed covered benefit shown on the schedule of benefits; (b) are due to complications of a non-covered service; (c) are incurred before a covered person's effective date or after the termination date of coverage, except as provided under the Extension of Benefits provision; (d) are provided in a student health center or by or through a school system; or (e) are provided at no cost to a covered person.
5. Glasses, contact lenses, vision therapy, exercise or training, surgery, including any complications arising therefrom, to correct visual acuity including, but not limited to, lasik and other laser surgery, radial keratotomy services or surgery to correct astigmatism, nearsightedness (myopia) and/or farsightedness (presbyopia), and vision care that is routine.
6. Hearing care that is routine, any artificial hearing device, cochlear implant, auditory prostheses or other electrical, digital, mechanical or surgical means of enhancing, creating or restoring auditory comprehension.
7. Treatment/services for foot conditions including, but not limited to: (a) flat foot conditions; (b) foot supportive devices, including orthotics, and corrective shoes; (c) foot subluxation treatment; (d) corns, bunions, calluses, toenails, fallen arches, weak feet, chronic foot strain, or symptomatic complaints of the feet; or, (e) hygienic foot care that is routine.
8. Dental treatment, dental care that is routine, bridges, crowns, caps, dentures, dental implants or other dental prostheses, dental braces or dental appliances, extraction of teeth, orthodontic treatment, odontogenic cysts, any other treatment or complication of teeth and gum tissue, except as otherwise covered for an accidental injury.
9. Treatment of TMJ and CMJ, any appliance, medical or surgical treatment for malocclusion (teeth that do not fit together properly which creates a bite problem), protrusion or recession of the mandible (a large chin which causes an underbite or a small chin which causes an overbite), maxillary or mandibular hyperplasia (excess growth of the upper or lower jaw) or maxillary or mandibular hypoplasia (undergrowth of the upper or lower jaw).
10. Treatment of substance abuse, whether organic or non-organic, chemical or non-chemical, biological or nonbiological in origin and irrespective of cause, basis or inducement, including, but not limited to, drugs and medicines for inpatient or outpatient treatment of substance abuse.
11. Any treatment, services, supplies, diagnosis, drugs, medications or regimen, whether medical or surgical, for purposes of controlling a covered person's weight or related to obesity or morbid obesity, whether or not weight reduction is recommended by a health care practitioner or appropriate or regardless of potential benefits for comorbid conditions, weight reduction or weight control surgery, treatment or programs, any type of gastric bypass surgery, suction lipectomy, physical fitness programs, exercise equipment or exercise therapy, including health club membership visits or services, and nutritional counseling.
12. Organ, tissue, or cellular material donation by a covered person, including administrative visits for registry, computer search for donor matches, preliminary donor typing, donor counseling, donor identification, and donor activation.
13. Chemical peels, reconstructive or plastic surgery that does not alleviate a functional impairment and other confinement or treatment visits that are primarily for a cosmetic service.
14. Capsular contraction, augmentation or reduction mammoplasty, except for all stages and revisions of reconstruction of the breast following a mastectomy by a health care practitioner, for treatment of cancer, including reconstruction of the other breast to produce a symmetrical appearance and treatment of lymphedemas.
15. Removal or replacement of a prosthesis, durable medical equipment or personal medical equipment, except for internal breast prostheses following a mastectomy by a health care practitioner for treatment of cancer and services are received in accordance with the benefits section.
